Two exhibit/art shows are typically held each year. There may be other show opportunities organized by the Guild in partnership with other organizations. Members are informed of events by email, or by visiting the Guild's web site. Members are encouraged to email or contact the Guild when they have special exhibits – this information will be passed on to all members and can be added to the Guild's web site. The Guild's shows are juried and membership may not necessarily guarantee work being entered in the shows.
